

Dear Giants Community Fund,

Thank you for supporting Cinnamongirl, Inc. in such a big way. I wanted to write to you and let you know some of the things I have learned while being involved in Cinnamongirl. This year, I have set goals I know I will accomplish, thanks to Cinnamongirl. For the first time in my life I felt comfortable sharing my dreams to girls I have never meet in my life. I have also met a lot of great people, like Dr. Ringo, she inspired me to follow my dreams. There's always going to be obstacles I will have to challenge. But I'm ready for them.

My most favorite activity was going on the retreat. I and the Cinnamongirls had lots of fun. I have never been to a beautiful place like that. My grades have improved dramatically! This marking period my G.P.A. was 3.22. My goal for this year is to raise it up to 3.5 or higher. I am looking forward to continuing in Cinnamongirls because they are part of my family already! I'm **honored** to be a Cinnamongirl. Thank you for supporting me and Cinnamongirl, Inc. I look forward to keeping in touch with you and letting you know about my progress and the progress of my fellow cinnamongirl sisters.

Always,

Cinnamongirl Estefany De Santiago
